WGIC UPDATES

Gratitude and Best Wishes for a Bright 2025

As we reflect on an incredible 2024, we want to express our deepest gratitude for your unwavering support. Thanks to our members, partners, colleagues, and friends, we've reached new milestones and made a meaningful impact. Wishing you a joyful and peaceful holiday season! Here's to a bright and prosperous 2025 ahead—together!

Announcing the First Speakers for Horizons 2025

WGICouncil.org

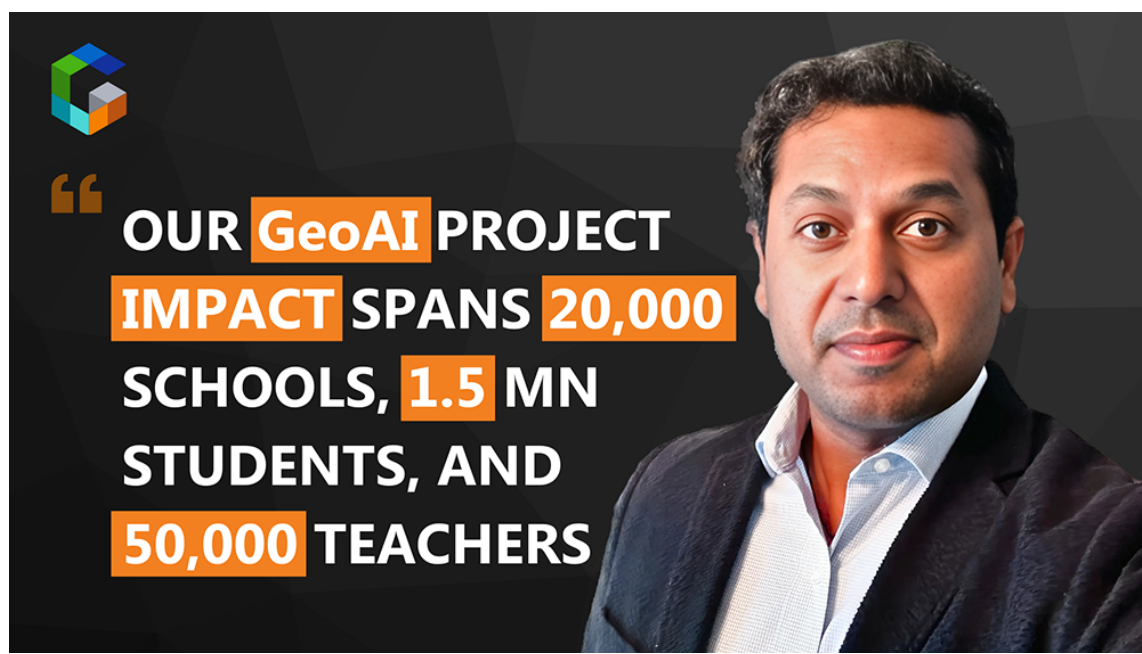

We are excited to announce the first set of speakers for WGIC Horizons 2025. This flagship event offers a unique opportunity to connect with industry leaders, innovators, and visionaries from around the world. Through insightful discussions, you will explore the latest trends, advancements, and opportunities within the geospatial sector.

Mark your calendar for April 27-29, 2025, at the Denver Art Museum in Colorado, USA.

EVENTS & OUTREACH

Supporting GeoWorld in Dubai: Geospatial Innovation and Industry Collaboration

From left to right: Aaron Addison (WGIC), Ahmad Al Bitar (CESBIO CNRS), John Taylor (SITECH Gulf), and Ayman Mohammed (Ras Al Khaimah Municipality)

WGIC was the Supporting Partner of GeoWorld in Dubai, where WGIC had a booth offering attendees the chance to meet the team—Aaron Addison, Helen Gilmartin, and Pulkit Chaudhary—to explore partnership opportunities and discuss the latest trends in geospatial innovation. Additionally, Aaron moderated a panel discussion on "Cross-industry Collaboration in Geospatial Data: Bridging Sectors for Development," emphasizing the critical role of collaboration in driving industry advancement.
